

# EXTENDED DAY ENRICHMENT PROGRAM 2024-25

## STEAM

STEAM explores the areas of Science, Technology, Engineering, Arts and Mathematics and will spark creativity through art and science experiments. STEAM includes Lunch Bunch with lunch brought from home.

## LUNCH BUNCH

Students enjoy socializing with their friends over lunch brought from home, followed by unstructured play. This is a mixed age enrichment with our 4 Day students and a fun way to extend your child's day!

## DISCOVERY DAYS

Designed for the NFCNS Pre-K student, Discovery Days include literacy, science and math activities, along with Lunch Bunch (lunch brought from home). Yoga on Thursdays and Nature Exploration or Cook 'n' Book on Fridays, are also a part of the program.

## SPORTS

A comprehensive sports and fitness experience that is both engaging and fun, helping children stay physically and socially active, relieve stress and build confidence. Sports includes Lunch Bunch with lunch brought from home.

## PRE-PRE-K

This NFCNS partnership with the Northfield Park District, offers Pre-K students a full school day! This flexible option is great for families looking for a more robust school experience. You can choose which days of the week are best for your family. Children will enjoy free play and some structured activities, under Park District supervision. Park District staff will then transport the children to NFCNS for school time. Pre-Pre-K is available Monday - Friday at the Northfield Park District. Doors open at 8:30am each morning

**See the Park District website for more information and pricing details:

## Here are some examples of what a day/week in Pre-K could look like

- NFPD Pre-Pre-K does drop-off at NFCNS by either walking or taking their bus. You can create your schedule with NFPD based on days of your choosing.
- Your child will need to bring a packed lunch from home for everyday that they are either at the NFPD or NFCNS for an extended day enrichment.
- If your child is enrolled in Lunch Bunch at NFCNS on a Tuesday and Wednesday, they will not be able to do Pre-Pre-K at NFPD.
- On Mondays, Pre-Pre-K will run until 12:15pm. However, if you would like to enroll in Sports also, there will be an earlier drop off at NFCNS at 11:00am.
- For Thursday and Friday enrolment in Pre-Pre-K at NFPD, your child MUST be enrolled in NFCNS' Enrichment Program as there is only one bus drop off at 10am.
- Pre-registration for Pre-Pre-K will be available during NFCNS registration via Curacubby.
